Filed: June 17, 1999
Group Art Unit: 1745
Examiner: Cantelmo, Gregg
Title: Process for Applying Protective and Decorative Coating on an Article

**PETITION FOR REVIVAL OF AN APPLICATION FOR PATENT ABANDONED
UNINTENTIONALLY UNDER 37 C.F.R. 1.137(b)**

Assistant Commissioner of Patents
Washington, D.C. 20231

Dear Sir:

This application became abandoned for failure to respond to the Official Action dated February 1, 2002. This application became abandoned due to the failure to respond to the Official Action, which was unintentional. Applicant received the Notice of Abandonment, dated August 27, 2002.

The entire delay in filing the required reply from the due date for the required reply until the filing a grantable petition under 37 CFR 1.137(b) was unintentional. The Attorney originally handling this application has experienced health problems, resulting in several applications unintentionally becoming abandoned. Applicant learned of these several abandoned applications a short time ago. Once it was learned that this application had become abandoned, Applicant promptly filed this petition. The delay from the abandonment was unintentional and Applicant was diligent in preparing the proposed response to the Official Action and the petition to revive.

A response to the Office Action is attached herewith.
